

## QUALITY POLICY

At LD Machinocast, our relentless pursuit of excellence fuels our drive to continuously innovate and deliver quality products and services that cater to our customers' needs while being environmentally sustainable. We empower our employees and adhere to ethical practices, ensuring compliance with industry standards and regulations. Our high standards and commitment to safety enable us to be the preferred partner, forging lasting relationships and creating value in the industries we serve. Our ultimate goal is to achieve the highest levels of customer satisfaction and become the preferred choice for our customers.
